## Welcome to STS

---

The information contained in this Special Transportation Service (STS) Rider's Guide has been developed to help new riders become acquainted with the STS program and to provide the necessary guidelines required to use the service effectively.

If you have questions about any of the information contained in this guide or you would like to request this guide in an alternate format (i.e., Braille, electronically, a cassette tape, or computer diskette) please contact Miami-Dade Transit's Paratransit Administrative Office at (305) 630-5333.

## What is STS?

---

STS is a share-ride public transportation service of Miami-Dade County in compliance with the complementary paratransit service provisions of the Americans with disabilities

Act (ADA) OF 1990. STS operates throughout most of urbanized Miami Dade County, some parts of southern

Broward County and up to mile maker 50 in northern Monroe County. STS can be used for work, school, shopping, recreation, medical appointments, etc.

STS provides door-to-door transportation for people with disabilities who are unable to use metrobus, metrorail, or metromover. Transportation is provided from the main entrance of the place of origin to the main entrance of the destination.

Miami-Dade County has contracted with private transportation carriers to provide STS service. The carriers use minivans, sedans, and lift-equipped vans to transport riders.

A wheelchair rider who can safely and independently transfer to a sedan or taxi may be scheduled to ride as an ambulatory passenger.

## Who may use STS?

---

- People with disabilities whose physical or mental disabilities prevent their use of accessible public transportation.
- People with temporary disabilities

who may be temporary eligible for STS during the period of their disability.

- People with disabilities visiting from out-of-town who may be presumed eligible if they have been certified in another Americans with Disabilities Act (ADA) jurisdiction or they can prove their disabilities.
- To register with STS, contact the Miami-Dade County STS Certification Office at (305) 630-5300.

## Where can I ride with STS?

---

The STS service area matches the MDT public transportation system (bus and rail) and includes most urbanized Miami-Dade County but excludes certain locations such as: the Everglades National Park Visitors Center, Trail Glades Range, Miccosukee Indian Reservation Bingo Hall and the Tribal Center, Fisher Island, and south of mile marker 50. The Miami-Dade County service area is based on Americans with Disabilities Act (ADA) regulations

which states that ADA-eligible persons who travel in areas that are within three quarters of a mile on each side of an existing fixed route bus or rail service are entitle to STS service.

One companion may ride with a certified passenger, provided both are picked up and dropped off at the same address. Certified riders may travel together but must always pay the fare when they travel and are not eligible to travel free of charge as a Personal Care Attendant (PCA) or companion.

Companions, including children regardless of age, pay the same fare as the certified passenger. Additional companions may ride provided there is room in the vehicle. Riders traveling with children three years or younger

shall provide a child restraint (car seat) as required by law.

Be sure to advise the call-taker, at the time you make the reservation, if you are traveling with a companion and/or indicate if traveling with a child.

**Personal Care Attendant**

A Personal Care Attendant (PCA) is someone designated or employed specifically to help the eligible individual meet his/her needs. You must indicate during the eligibility certification process if you will be traveling with a PCA. Persons with cognitive disabilities (Alzheimer’s, dementia, organic brain syndrome, profound retardation, etc.) and children 12 years of age and younger, should travel with PCA. Remember that the STS driver is the same as a bus driver and cannot function as a caretaker. Both the PCA and the certified rider must be picked up and dropped off at the same address. You must advise the call-taker, at the time you make your reservation, if you are traveling with a PCA. No fare is charged to the PCA, but the certified rider must pay the standard fare.

---

Reservations for STS service can be made from 1 to 7 days in advance of the expected travel date, Same-day service is not available, but may be approved on an individual basis for non-life-threatening medical urgency. Call (305) 264-9000 or (305) 630-5300 for assistance. For life-threatening emergencies call 911. During peak travel periods, it may be necessary for the agent to negotiate an earlier or later pickup and/or

return time based on vehicle capacity and/or availability.

The agent will inform you of this, at the time you place your reservation. The agent cannot insist on a pickup time (at either end of trip) that varies by more than one hour from the rider's desired travel time. ### **Information you should provide when making a reservation**

---

- Name, identification number, and telephone number.
- Exact street addresses, zip codes, and phone numbers of the locations where you will be picked up and/or dropped off, including the name of the complex.
- Special pickup directions, such as landmarks, specific entrance, exit, store, or building etc., at shopping centers, college campuses, large medical complexes or other

confusing locations please be very specific as there are multiple pickup locations and drivers need to know exactly where you will be.

- The time you would like to arrive at your destination or your desired pickup time.
- Requested return time.
- Number of companions, PCAs and/or children traveling with you.

### **Subscription Reservations**

You may request subscription service if you make the same trip at least once per week to work, school, religious service, medical appointments, etc. Once scheduled, subscriptions service is automatic and you do not need to place daily phone calls to schedule these trips, except to cancel or make minor changes for a specific date of your subscription service.

To be approved for subscription service, the subscription must remain in effect for a minimum period of one month, please cancel your subscription trip(s) for the day(s) or month(s) you will not be using it. To do

so, please make it clear to the call-taker that you are canceling for a specific day(s) and not canceling the subscription trip permanently.

Subscription changes may require two days to process, so it is necessary to provide notice in advance. It may take some time to anchor your subscription change on the best possible route, so try to avoid subscription changes whenever possible. Changes may temporarily disrupt your service until they are re-anchored on a route. Since subscriptions must remain in effect for a minimum period of one month, changes if necessary, should be limited to once per month.

To request new subscriptions service, update and existing subscription (due to change pickup or drop-off address, time, phone number) or temporarily put your subscription service on hold, please call (305) 264-9000 between 8 a.m. and 5 p.m., Monday through Friday.

Subscriptions are automatically cancelled on the following holidays:

New Year's Day, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving Day, and Christmas Day. If you need service on any of these holidays, you must call reservations at (305) 264-9000 at least one day in advance to schedule service.

### **Cancellations**

For a same day cancellation of your reservation subscription, call (305) 264-9000. Cancellations should be made as earlier as possible but at least one hour before the schedule pickup time. Be sure to indicate if you are canceling the initial pickup may result in automatic cancellation of your return trip unless you are very specific. Cancellations are very costly to the STS program. Before placing a reservation be certain that you really plan to travel. Excessive cancellations are an abuse of the STS program and will be investigated.

### **No-Show Policy**

If you reserve service and decide not to travel, you must call to cancel your

service at least one hour before your requested travel time or your record will be marked “No-Show”. If a rider is a “No-Show” on the going trip, the return will automatically will be cancelled unless the rider calls to advise.

A “No-Show” rider is one who places a request for service but does not meet his/hers ride upon arrival. On the first occasion, a warning letter will be sent to remind you of the “No-Show” policy.

Continued abuse of STS service may result in fines, suspension, or termination of STS transportation privileges.

### **Pickups**

The STS vehicle will pick up the rider, within 30 minutes after the negotiated pickup time. Be prepared to leave when the vehicle arrives. Riders must carry their STS identification card at all times when traveling with STS. Drivers can only wait 5 minutes for you to board. If you do not board within 5 minutes the driver will depart without you and got to the next pickup as they have a scheduled to follow. In

the event that this happens, you may be charged with a “No-Show”.

Remember that other STS riders may ride in the same vehicle with you, or the vehicle may be scheduled to pickup another passenger right after you reach your destination. Your punctuality is required as a courtesy to other STS riders.

If the vehicle arrives before your “pickup window” you may choose to board early or you can board within 5 minutes of the start of your pickup window.

### **The driver will:**

- Collect the exact fare when you are picked up. Drivers do not make change. NOTE: If you prefer not to carry cash, call STS at (305) 264-9000 to purchase Pre-Paid Tickets. Pre-Paid Tickets can be given to the driver in lieu of a cash fare.
- Upon request, the driver will assist the rider from the main entrance door at the pickup location to the vehicle and from the vehicle to the main entrance door at the scheduled destination.

- Ask to sign the driver's manifest, which indicates the actual time you were picked up and the dollar amount to the fare paid.

**IMPORTANT:** You should review the trip information carefully and be sure it is correct before you sign. Report discrepancies to STS Customer Service at (305) 630-5300. County staff will investigate all discrepancies and complaints.

### **Free-Fare Program**

Certified STS riders can use Metrobus, and Metrorail, free of charge by simply showing their STS identification card to the bus operator or rail security officer. Elevators are available at every metrorail station. Your decision to use public transportation whenever possible is encouraged by Miami-Dade transit and will not jeopardize your privileges in any way.

To plan your public transit trip call (305) 770-3131 or (305) 891-3131, if you live south of SW 216TH Street (TTY/TDD (305) 770-3131 OR (305) 891-3131. An information agent will help identify the best

route(s) to reach your destination.

### **Fare Structure**

The base STS fare for ADA-eligible riders is \$2.50 per one-way trip. Companions pay the same \$2.50 per one-way trip base fare as the certified rider. The Personal Care Attendant (PCA) travels free but must be pre-certified by the STS Certification Office as part of the rider's permanent certification records.

The \$2.50 base fare falls under the guide lines of the Americans with Disabilities Act (ADA) of 1990 which stipulates that fares charged for shared-ride complementary Paratransit services be no more than twice the regular public transportation fare. The current Miami-Dade Transit base fare is \$1.50 plus 50 cents for any transfer required.

### **Service Hours**

STS operates seven days a week 24 hours a day.

## **Late-Vehicle Assistance**

If your ride has not arrived 30 minutes after the negotiated pickup time, call the contractor's late vehicle assistance line at (305) 264-9000. If your problem is not resolved, call the County Customer Service line at (305) 630-5300. The Contractor or County staff may dispatch a backup vehicle if the primary contractor is unable to fulfill service commitments, however, neither the County nor the contractor will reimburse taxi fares should a rider's call a taxi on their own.

## **Passenger Assistance Policies**

Upon request, STS drivers will assist you to and from vehicle. This includes a steadying arm when walking and assistance in getting your wheelchair to and from the main door of the building entrance.

If you need assistance in getting to and from your wheelchair or walker into a vehicle, or from the vehicle to your wheelchair or walker, the driver will hold the chair or walker steady for you but cannot lift you. If riding in a
